Pricing Update

Canadian Products on MRP

Now Effective Feb. 19, 2016

Due to changes in the stability of relative international currency valuations, Garmin has elected to adjust pricing on several of the products currently on the Canadian unilateral Minimum Retail Price (MRP) Policy, effective **Feb. 19, 2016**.

Please view the attached PDF for all new MRP values that will take effect **Feb. 19, 2016**.
